

AEROSPACE ACCESSORY SERVICE

FACT SHEET

→ OUR WORK

Aerospace Accessory Service, Inc. is a certified repair station that overhauls a wide range of components for commercial aircraft. We guarantee our customer's satisfaction through quality workmanship, reliability and safety within four core areas of service:

1. Galley & Lavatory

From Coffee makers, water heaters, liquid containers, ovens, and beverage makers, to faucets, and toilet assy's

2. Electronics

Including light assemblies, ballasts, power supplies, passenger service units (P.S.U), and module assemblies

3. Electro - Mechanical

Including APU Starters, linear actuators, motors, lock assemblies, switches, valve actuators, fans, beacons & yaw dampers

4. Hydraulics

Pumps, steering actuators, accumulators, valves, tach generators, motor pumps, flap PDU's, static inverters, and altimeters

→ OUR SHOP

Our fully equipped, heavy powered 10,000 SF, F.A.A. Repair Station is designed to accommodate our increasing customer database. Our extensive capabilities and State-of-the-Art equipment handle the most rigorous requirements around the clock.

→ OUR EXPERIENCE

As a maintenance, repair and overhaul organization (M.R.O.), we have served the commercial aviation industry for **over 20 years** and have established a superior reputation: we address our customers' needs promptly and effectively with **competitive prices**, **guaranteed services** and **faster turn-around-times** (TAT).

→ WHERE WE ARE

We are strategically located at 7825 Northwest 57th Street in Miami, Florida: commercial aviation's most important hub for the maintenance and repair of aircraft components. We are in close proximity to Miami International (MIA) and Fort Lauderdale (FTL) Airports, as well as immediate access to major expressways and roadways.

→ WHO WE WORK FOR

Our clientele comprises of: **1200 End Users**: domestic and international airlines, regional airlines and corporate aviation customers; **800 MROs'** and third party repair organizations; and over **500 Aircraft Parts Distributors** around the globe.

→ OUR FINANCIAL STRENGTH

We benefit from the financial endorsement of a Maryland Aviation Business firm with operations in over 28 states and a workforce in excess of 500 personnel. Our operations are certified by a commercial liability insurance of \$4,000 000 (four million dollars)
