

EXPORT COMPLIANCE

The commodities on this order are subject to the Export Administration Regulations (EAR) or International Traffic in Arms Regulations (ITAR). It is your responsibility to obtain a validated export license for this material from the Department of Commerce or the Department of State if so required under the applicable U.S. Government Export Control Regulations. The above material shall not be shipped to any country that has an embargo placed on it by the U.S. Government or any entity on the US Debarred list. By placing this order and accepting the items you agree to Aerospace Accessory Service's Terms and Conditions of Sale. These commodities, technology or software were exported from the United States in accordance with the Export Administration Regulations. Diversion contrary to U.S. law is prohibited.

COMPLIANCE CERTIFICATION

I understand that the parts and/or technology purchased from Aerospace Accessory Service, Inc are subject to the International Traffic in Arms Regulation (ITAR) or the Export Administration Regulations (EAR). I hereby represent and certify that the company listed below assumes all responsibility for export compliance and that the parts and/or technology being purchased will not be exported, released, or disclosed to foreign nationals inside or outside of the United States without first complying with export authorization requirements of the ITAR or the EAR.

This Export Compliance Certification applies to the company listed below and includes all subsidiaries and affiliated companies.

I agree to the statement above:
