## Philips Medical Systems

---

8/8/2007

This is to certify that AEROSPACE ACCESSORY SERVICE, 7825 NW 57<sup>TH</sup> STREET MIAMI, FLORIDA 33166 is a qualified distributor of Philips Medical Systems Cardiac Resuscitation devices/supplies and has deployed policies and procedures to ensure that all personnel performing sales, servicing and installation activities on its behalf at customer sites are trained to adequately perform their assigned responsibilities.

Where training, test, and evaluation is required, procedures are in place to ensure that employees are routinely trained and supported by qualified facilities using standards traceable to national standards.

In addition, records of training on quality systems such as equipment calibration/maintenance, product security and data privacy are maintained.

Please feel free to contact me if you have any further questions or concerns.

Sincerely,  
Craig Ludwin –Indirect Channel Mgr.- Florida
